Investments in Textile Sector

1637. SHRI GIREESH KUMAR SANGHI:
DR. T SUBBARAMI REDDY:

Will the Minister of TEXTILES be pleased to state:

(a) whether with Indian textile sector falling short by huge margin of required investment target set by the Ministry of Textiles, Ministry is seeking foreign investment from countries like the US, Japan, Italy, etc.;

(b) if so, whether Textile Ministry had envisaged Rs. 40,000 crore of investment every year for next five years to make industry internationally competitive;

(c) if so, whether Government has been able to attract investments only to tune of Rs. 20,000 crore in last one year (2004-05); and

(d) if so, the main proposals that are being considered to complete investment project of 40,000 crore in this sector?

THE MINISTER OF TEXTILES (SHRI SHANKERSINH VAGHELA): (a) No, Sir. The Ministry of Textiles has not set any target for Indian Textile sector nor is it seeking foreign investments from countries like US, Japan, Italy, etc. How even there is no restriction on foreign investment in the textile sector.

(b) The vision statement of the Textile Industry envisages investment of Rs. 1,40,000 crore upto 2010. Accordingly, Government hopes that capital investments of the tune of Rs. 25,000-30,000 crores per year in next 3-4 years will help Indian textile Sector in taking full advantage of opportunities available in quota-free regime.

(c) For the purpose of modernisation only the investments made by the organised textile industry in the year 2004-05 was Rs. 7349 crore. In addition to this, there have been huge investments in the decentralised textile sector.

(d) The following Principal Schemes for encouraging investments in the textile sector are in progress:

- To improve productivity and quality of cotton for manufacture and export of competitive downstream textile products, Government has launched the Technology Mission on Cotton (TMC). The Mission has achieved success in increasing the productivity and reducing the contamination through upgradation of cotton market yards and modernisation of Ginning & Pressing factories.
- The Technology Upgradation Fund Scheme (TUFS) was launched to facilitate the modernisation and upgradation of the textile industry both in the organized and unorganized sector. The Scheme has been further fine tuned to increase the rapid investments in the targeted sub-sectors of the textile industry. The cost of machinery has been further brought down by reducing the customs duty on imports.
- For speedy modernisation of the textile processing sector, Government has introduced w.e.f. 20.04.05, a credit linked capital subsidy scheme @10% under TUFS, in addition to the existing 5% interest reimbursement.

• To provide the textile industry with world-class infrastructure facilitie for setting up their textile units meeting international environmental and social standards, a Public-Private Partnership (PPP) based Scheme known as the "Scheme for integrated Textile Park (SITP)" has been introduced in July 2005.
